

AlumNotes

HUNTER COLLEGE HIGH SCHOOL ALUMNAE/I ASSOCIATION

Volume 22, Number 1

Fall 1995

Underway for a Grand Reunion

Vera Julia Gordon

Now is the time and now is the hour to get plans underway for the Hunter College High School Alumnae/i Association Reunion/Homecoming on June 2, 1996.

For classes graduated in years ending in "1" or "6," it will be an extra special occasion. However, graduates of every year will find friends old and new at Reunion and enjoy the day's celebration.

Activities on the big day will include danish and coffee as alums arrive at about 11:00 AM and hold class get-togethers, as well as a special session for non-milestoners. The general meeting will begin about noon, with greetings from Margaret Nichols, Alumnae/i President, and Dr. Anthony Miserandino, Principal of the High School. We're planning a special program on our Alumnae/i Association networking project. An ever-popular highlight is the roll call of classes and greetings from the Milestoners. We will adjourn to a buffet lunch, with time to chat with faculty, reminisce with classmates, and renew friendships.

So, now's the time to get things rolling. If you've been a Milestone contact or coordinator, or want to be one for your class, please contact me: Vera Gordon, 334 Argyle Road, Brooklyn, New York 11218-4342, (718) 282-6693 as soon as possible (a tape activates on the fourth ring so do not hesitate to leave a message). I'll be your liaison for all Reunion/Homecoming questions. If I hear from more than one person in a class, I'll put you in touch with one another.

Please contact me soon so I can arrange for you to receive a printout of your class members' names and latest addresses and a set of mailing labels. The Alumnae/i Association will reimburse each class for the cost of one mailing—printing and postage—upon submission of receipts. After Reunion, each class is expected to provide the Association with a class list, including rediscovered "lost" members, and any changes in addresses and telephone numbers.

I'll work with the class contact person, providing ideas, suggestions, techniques for getting the class energized, and moral support. Now is the time to start

Hunter On-Line

Peg Perrin

For many of us, the computer may still be something to approach with awe and trepidation, but at the High School, the computer network is up and running. Everyone who uses it sees this message

HunterNet was brought to you by student volunteers and by the generous support of the HCHS/PTA and Alumnae/i Association.

Strike any key when ready.

as a continuing expression of gratitude and a constant reminder of how this techno-miracle came about. Funds raised from and by parents through the Vision Campaign and from Alumnae/i Reunion milestone class gifts and other donations funded Phase I—upgrading the computer lab, networking both rooms, connecting with the HCHS library, providing access to the Internet via the College, and outfitting a cart so that computers can be brought directly into the classrooms.

Phase II has begun. Its main goals are connecting all department offices and offering in-house training for staff. (Alums with computer expertise are invited to join teachers, students, and parents in this part of the project.)

In the meantime, the Hunter computer lab is available all day, every day. Every seventh grader is introduced to it through a weekly writing lab session. The lab is used for word processing, class reports, homework, and e-mail within the school and worldwide to international

New Fingers on the Keyboard

Marjorie Pearle Weiser

It has been a pleasure, for the past 20 years, to be editor for AlumNotes and, *de facto*, other Alumnae/i publications, and to serve the Association. With deep regret, I have had to resign due to persistent illness.

I want to thank particularly all those who helped me put AlumNotes together. The editorial and traffic-management skills, as well as Association-related experience of Anne Hoffman '60 were invaluable. So were the layout/production expertise of Ilene Klinghoffer '70, who is a whiz at making the newsletter take shape and at getting manuscript to fit where it must. Members of the Executive Committee served as an editorial board, providing advice or follow-through as needed. Peg Betz Perrin '55 wrote a number of articles—at least one for most issues—and also offered sensible perspectives on issues raised in other articles. Marcia Aronson Grey '52 and Marian Abrahams Goldhamer '51 interpreted countless handwritten notes to draft various columns from reader contributions. Bunny Worman Hauser '49 and Mildred Speiser '49 always offered good sense and a reality check. And every president, *ex officio*, managed to come up not only with a letter to readers for each issue, but also with a tactful way to handle a problem or a positive "spin" to put on a story.

Most of all, I hope more of our devoted members, especially those of the '60s, '70s, and '80s, will find time to take a more active role in the Association. If more of you attend open meetings (and most meetings are open), then more people will be available to share tasks and undertake new projects. Only with your efforts and assistance can your Association be of greater service to all of you. So—join the Association actively, with your dues and your time. Come to meeting and other activities—it will be rewarding.

I'll miss this opportunity to communicate with all of you and you and you. But keep your notes and letters, and dues payments, coming. All Hunterites want to know what you've been doing, so do stay in touch. And I hope to see many of you at theater parties, brunches, other Alumnae/i functions and, of course, Reunion.

Ave Atque Vale!-- Hail and Farewell!

It is with deep regret that we say goodbye to our Marjorie Pearle Weiser, AlumNotes editor for the past 20 years. She has been the heart and nurturer of this newsletter. Through her selfless hard work, she expressed her love and appreciation of the High School—its ideals, its alums, the students, and staff. In a unique way, she asked for no recognition or reward. We thank Marge for keeping us in touch with our *alma mater*, its past and present, and for helping us retain the warmth of our relationship with each other as alums.

Fortunately, we have acquired a skilled editor, Jean Murray Geiger '73, to produce this issue and the next one. We thank her deeply. It was a great contribution of service to our *alma mater*.

As the saying goes, however, the past is prologue: As a result of last spring's testing, 257 sixth graders were found eligible for admission to the school and are now in attendance. We are especially pleased that 39 of these future alums were able to take advantage of the admissions policies for those from economically disadvantaged areas. We wish all of the new seventh graders six years of exciting, fruitful educational and social progress.

And for the rest of us, after a restful and exhilarating summer, we look forward to a Fall filled with alum activities and the renewal of our important work on behalf of Hunter High.

Cordially,

Margaret McKinney Nichols '41
President

Don't Just Sit There

For us alums, the Association is our tie with the good times and fond memories of Hunter College High School. But the Association doesn't run itself. Last year, we experienced a number of crises, including the death of an executive committee member and the serious illness of two others. We can use fresh ideas, a youthful outlook, and willing hands. Now is the time to volunteer. Contact any member of the executive committee if you're willing and able to help. As we know, many hands make light work.

Theatre Party's a Night on the Town

Do you think Cole Porter is the tops? Do you love the sound of Sondheim? Do you yearn for Lerner and Lowe? If you answered yes to any of these questions, then please join us for the Alumnae/i Association's Annual Musical Theatre Party. At press time, the title of this year's presentation remains as secret as the identity of the Phantom of the Opera, but given the group's past successes with *The Pirates of Penzance*, *Pajama Game*, *Kiss Me Kate*, and *Anything Goes*, this is an event that shouldn't be missed. So call the Hunter AlumLine to check on the title, date, and where and when to send your reservation check. Some form of preshow Get-Together will be planned so that we can spend some time chatting before the performance. Tickets will be mailed about one week before the show.

Remember, details on date and price will be available from the Hunter AlumLine (212) 772-4079 or Anne Hoffman at (212) 489-1974 after November 15!

The Magical Fiftieth For the Class of January 1944

Dr. Anne O. Zill

A bit of magic occurred when the Class of January 1944 met for our reunion lunch on June 4, 1994 at the Sumptuary Restaurant. The day was glorious, and the ambiance great. Forty-seven of us assembled with good heart, good memories, and wonderful kinship to discuss, remember, and re-establish our fondness for each other and our accomplishments in the years since we graduated from Hunter High School. The recounting by us was often gripping, insightful, and humorous. We felt as one, as if it were just yesterday at the High School.

Through the efforts of Harriet Whitman Aufses, Effie Zouvelekis Cavaseno, and Gilda Agnese Mattera, we relived our Sing and our Annals quips. Penelope Palmos Abbett recorded the event beautifully in photos that showed that the affair was like a garden party. What was it like? Truly, it was wonderful! Everyone who attended brought that bit of magic to the occasion. I was happy to have been able to set the stage.

Poetry and Prose Reading

Thursday, November 9

7:00 PM

Please call Francine Abrams Eisen
at (212) 249-0771 for further information.

Midwinter Brunch

Looking for a way to fight the midwinter blahs? Then get together with fellow Hunterites at the Alumnae/i Association Brunch to be held on Sunday, February 4, at Artepasta, an Italian restaurant at 106 West 73rd Street. Festivities will begin at 12:30 pm with a choice of a mimosa or soft drink followed by a menu which includes five egg dishes, steak and eggs, pancakes, French toast, capellini caprese, rigatoni quattro formaggi with cheese, and fettucine boscaiola. Cap off your meal with sorbet and cookies with coffee, decaf or tea. The price for the brunch, which will be held in a private room, is \$16.00:

Last year we got lucky. Thirty of us, including coordinators from four milestone classes, gathered at Gabie's to enjoy a respite from the generally tedious weather. Those of you from "1" and "6" classes take note: this is an ideal opportunity to pick some brains and get inspired. This year's event promises to be even more festive, so mark your calendars and get ready to chase away the winter-time blues.

For more information, call the AlumLine at (212) 772-4079 or Anne Hoffman at (212) 489-1974 for information on how to reserve your place.

NY Metro Area Networkers

Yvonne Naum

The NY Metro Area Networkers have been meeting monthly since January 1994. We have been getting to know one another over breakfast and dinner and, building on our warm and shared bond, developing ideas for how we can support one another (e.g., networking directory, shared resources). Meetings are held in Manhattan once a month. Participants span years and interests—ranging from the class of '44 through the '70s and including quilters, attorneys, architects, educators, illustrators, and everything in between.

Recent attendees have been: Inez Alexander '77, advertising/marketing with Citibank; Diana Casper, Ph.D. '74, scientist, Montefiore Medical Center; Mildred Speiser '49, educator, writer/illustrator; Joy Levien '51, attorney; Shiffie Sapatkin '44, performer; Thaleia Christidis '70, architect; Elizabeth Gerber '63, financial management; Angelica Petrides, Ph.D. '49, educator/dancer; Yvonne Naum, Ph.D. '49, financial consultant; Jody Leight '72, attorney/quilter; Helga Moore '59, educator; Ilene Moskowitz '74, computer programmer; Victoria Kristy '59, needlecrafts; Rochelle Rifkin '59, printing/graphics; and Sybil Landau '54, attorney.

The next meeting will be Thursday, October 26, 5:45 pm at the Omega Diner, 122 West 72nd Street. If you are interested in attending or would like more information on this dynamic group, call Yvonne Naum, (212) 362-4698, or Elizabeth Gerber, (212) 242-5026.

Of Pixels and Cyberspace at Hunter High

Carolyn Mayadas, Computer and Mathematics teacher; coordinator of the Computer Advisory Committee

Faculty and students at HCHS can now take advantage of the computer age in the classroom through a generous \$4,000 contribution from the Alumnae/i Association. The gift to the PTA Vision Campaign enabled us to purchase a Gateway Pentium 90, equipped with CD ROM, a 730 megabyte hard drive, Soundblaster, and enhanced video. The system is available for all teachers to use in the classroom on a regular basis. And the cart on which the computer sits will bear a plaque showing appreciation for the Alumnae/i Association's continued support of the educational programs at Hunter.

As funds become available, additional equipment will be purchased. Plans are being formulated to connect all classrooms at Hunter with the Internet—enabling the cart system to bring the world into Hunter's classrooms! Hunter's entry onto the information superhighway has been an exciting experience for the entire school. Thanks to you, the alums, for your important role in making it happen.

Editor's note: Ms. Mayadas prepared this thank you in the Fall of 1994 and it reflects equipment purchased through that time.

Reunion

continued from page 1

telephoning your classmates and forming a core group to work on special festivities for your class. (Milestoneers of 1951 and earlier might want to consider having separate January and June contacts to work with their respective groups while coordinating with one another.)

It's a good idea for Milestone classes to send representatives to the Winter Brunch for more brainstorming. One representative per Milestone class can attend the brunch as a guest of the Association,

Finally, if graduates of your class are interested in participating at Reunion in some way, please let me know immediately.

Reunion weekend is likely to be filled with Alumnae/i activities, including outings and class parties. We also expect you to turn out in force for the Reunion itself. Last year, approximately 275 alums attended Reunion, including representatives of the 1925, 1930, and 1935 year classes, celebrating their 70th, 65th, and 60th milestone years. One member of the class of 1922 also attended. Let's top that in '96!

Remembering Harry Ruderman

Harry D. Ruderman, who served as chair of the Mathematics Department from 1958 to 1982, died in April 1994. During his tenure, many experimental curricula, such as School Mathematics Study Group, Secondary School Mathematics Curriculum Improvement Study, and NYS Experimental (Integrated) Mathematics were piloted. He co-authored *Fundamentals for Advanced Mathematics and Mathematical Systems: An Introduction* with Abraham Glicksman, a colleague at Bronx High School of Science, where Dr. Ruderman taught before coming to the High School. After his retirement, Dr. Ruderman remained active in New York City Board of Education activities, including Math Team and Math Fair competitions, and was a popular speaker. Alums will remember him as the man with the Garry Moore haircut and bow tie who helped so many of us develop a love of math.

Editor's note: Thanks to Adrienne Barnhart '53, former Mathematics chairperson, for her help with the above.

Hunter On-Line

continued from page 1

pen pals. All the student newspapers and current Hunter news can be read on the Hunter High Home Page, accessible via the Internet by anyone with WorldWideWeb software (<http://heimdall.hchs.hunter.cuny.edu>). Recent classes are compiling e-mail address directories of classmates to be stored on the High School database.

As the thank-you from Carolyn Mayadas indicates, the Alumnae/i Association is an enthusiastic supporter of the computer lab, among many other high school activities. Our two contributions—\$4,000 from 1993 reunion funds (for the cart) and \$5,000 raised directly for the lab from 1994 reunion fundraising continue to be supplemented. The class of 1974 recently contributed \$1,400 to be shared by the computer lab and the library in memory of two classmates, Erica Kaufman and Nina Lichtenberg.

A wonderful project has taken seed through the generosity and support of many cooperating groups. Our thanks to all alums. The daily activity in the labs is testimony to this project's enormous success. For more information or to volunteer, please call me at (718) 426-1341. If you have an e-mail address, send it to me at the Association office. We'll be working with the computer lab to compile that directory of Hunterites and alums on line. Good surfing!

Log on to Hunternet?

Alums will soon be invited to add their e-mail addresses to the Association database. Certainly a Hunternet connection would offer wonderful opportunities for students to "talk" with alums worldwide about topics of mutual interest. And maybe we can develop a list that provides alums with current news about Hunter.

All About You and You and You

1930s

Louise JACOBS Craig Gerber '32 directed a production of *Shirley Valentine*, produced by Word Play II at the Schoolhouse on Owens Road in Croton Falls. The production was presented last April.

1940s

Joyce MAYERSOHN Pilsner '40, who has been Executive Director of the Riverdale Mental Health Center for 22 years, is currently chairperson of Community Board 8, is listed in *Who's Who of American Women*, and serves on the Board of Directors of the Coalition of Voluntary Mental Health Board Agencies. . . . Roslyn SONKING Kraus '43 rediscovered Hunter High when she bumped into Science Department chair Dr. Judy Klein at Bear Mountain last fall. Dr. Klein, sporting a HCHS sweatshirt and accompanying Hunterites on their "Spirit Day" trip, was delighted to fill Roslyn in and get her connected to the Alumnae/i Association and to her friends and classmates. Thanks, Judy. . . . Lorraine VOGEL Klerman '46 is a Dr. P.H. and Professor and Chairperson, Department of Maternal and Child Health at the University of Alabama at Birmingham. Lorraine asks, "Where is the news about the class of 1946? We gave up the Lexington Avenue building in the afternoon to the College students who had been displaced from the Bronx campus by military trainees. I know there are lots of us still around." . . . Rita RUDGES Maran '45 teaches International Human Rights at U.C. Berkeley and also runs the Human Rights Program. . . . An October '94 "Chronicle" in *The New York Times* reported on honors to Ellen ASH Peters '47, Chief Justice of Connecticut Supreme Court and the first woman to be elected president of the Conference of Chief Justices. Judge Peters also received the 1985 HCHS Distinguished Graduate award.

(We have a short list of Hunter jurists. Please send information on yourself or others to the Association office. We'll print the list in a subsequent issue. Thank you.)

1950s

Marilyn LANDBERG Spechler '53 is a family therapist in Fort Lauderdale, Florida. She holds a Diplomate in Social Work, a Diplomate in Sexology, and is an Associate Trainer in NLP. She has contributed chapters to three books, the most recent one *Success Stories in Employment of Persons with Disabilities*. . . . Ina FRIEDELSON Heyman '53 is retiring from 29 years of federal government service. For the past eight years, Ina was "overworked" at the Maternal and Child Health Bureau, during which service she produced *Infant Care*, "the all-time government best seller," and *Health Diary*, now in its second printing and soon to appear in a Spanish edition. Her career was capped by receipt of a Superior Service Award, the highest civilian award granted by the U.S. Public Health Service. *Health Diary* recently received the highest award in its category in the first annual competition for National Health Information Awards. . . . Jo ASARO Manning '58 has had six short stories published in fiction magazines in the last three years. Her audiobook *The Prairie Princess and the Sanskritologist* was scheduled to be released by Redwood Press/Radio Books last spring. The publishing company is based in San Jose, California.

1960s

Jane MATTES, C.S.W. '61 has written *Single Mothers by Choice*, which is available from Times Books. It is a guidebook for single women who are considering or have chosen motherhood. . . . Barbara HIRSCHFELD '63 now lives in Manila. She counsels, as a volunteer, people who

In Memoriam

Pearl Primus '36, a world-renowned alumna, died on October 29, 1994. Among the honors bestowed on this distinguished choreographer and dancer were the National Medal of the Arts, the National Council of Negro Women's Scroll of Honor, and the Republic of Liberia's Star of Africa. A member of the Hunter College Hall of Fame, Dr. Primus served as associate professor of Health and Physical Education and received both the Hunter College President's Medal and an honorary doctorate from the college. Best known for incorporating African themes into her choreography, she influenced generations of African-American choreographers, Alvin Ailey among them. But perhaps the greatest legacy she left was her generosity in performing for HCHS students who sat spellbound as she and her troupe performed. Said one in fitting tribute, "I didn't know something like this was possible until I saw Pearl Primus perform."

Bernice Wolff Freundel '42 died on February 4, 1993.

Regina Lobel Grosser '36 died as the result of a traffic accident. Regina was one of the founding members of the Association and had served on the executive board for many years.

Natalie Rodgers '46 in Los Angeles.

Ingrid Tweisselmann Yuter '56.

Jean Wassman Lobger '33.

Pearl Rubin Fass '31 is survived by her daughters Suzanne '66 and Leona.

Sheila Sisselman Schnee '59 died suddenly in September 1994. Sheila was a poet and one of the moving forces behind the Poetry and Prose Reading Series. She was also an organizer of the Association and an early editor of this newsletter.

Lucy R. McCoy '41.

Gail Sheindlin Fried '60 in June 1995.

Thanks!!

Harriet Aufses, HCHS Librarian (retired)

I can't tell you how much I appreciate the honor you accorded me at Reunion '94. I will always treasure the beautiful plaque and your kind words. Your generous honorarium will be used to purchase The New York Times index and microfilm for 1944. This will be a most useful addition to the library's reference collection. Please know, too, that I feel blessed to have had such a long and happy relationship with the Alumnae/i Association, and that I'll do everything possible to be of help in the future.

Calling All Coordinators

Vera Julia Gordon '47

Past, present, and prospective class coordinators and contact persons take note, mark your calendar, and watch your mailbox in September. We are starting a Coordinator's Council for the sharing and building of expertise. The first meeting is scheduled for Wednesday, October 25. Details in the Fall.

Cancer Support

Jeanne Budion Boegemann '77

I send fond hellos to all friends from 466 Lex. I am home with my four children in Hamilton, New Jersey. I have recovered from breast cancer which was diagnosed during my last pregnancy. I would like to be a support person if someone needs to talk about receiving this diagnosis, especially since I was 30 at the time and there are not a lot of people in this age group. I am doing very well and taking great joy in each day. Please contact me at (609) 588-8352 or at 2737 Quakerbridge Road, Hamilton, New Jersey 08619 if I can help.

A Nationwide Trend?

Sixty-five Hunter High Alumnae gathered in South Florida for Reunion '95 on March 11. Old friendships were renewed and new friendships began as the spirit of Hunter filled the room. This gala was sparked by an AlumnaGram placed by Irene Glaser Parker '34. A committee is now planning Reunion '96 to be held on March 9th. Call (305) 978-9824 or (305) 920-7301 if you're interested. Location will be in North Broward County.

Groups of Hunterites have already organized in the D.C. area and in Chicago, and alums in other areas are voicing interest as well. If you are interested in starting an HCHS alum group in your area, please contact the Association office for assistance. Your nascent group will be publicized in AlumNotes, including publicity for upcoming events and a call for "lost" classmates.

Nancy Alexander '75 is interested in starting a group in New Haven, Connecticut. You can contact her at (203) 387-0555 if you are interested. Good luck and let us know what we can do to help!

The Alumnae/i Association is saddened to note the passing of E. Ira Marienhoff, Chairman and teacher of Social Studies, in December of last year. A tribute to Mr. Marienhoff will appear in the Spring issue. He is remembered fondly by his former students. He will be missed.
