ITEMS TO NOTE

Our New Location

The Hunter College High School Alumnae/i Association has a new office. We are now located at Hunter College, East Building, Room 1239. We have a telephone—212-772-4079—and a machine that provides recorded announcements of dates, times, and places of events as well as other information of importance to alums. Rhea Plottel '49, Association administrator, is in the office regularly, checking messages and updating announcements.

Steering Committee Seeks Volunteers

The Steering Committee would like to add to its ranks and also identify a new member willing to serve as recording secretary for the Committee's regular business meetings. Meetings usually begin at 1 PM on scheduled Saturdays and end by 3:00. If you are interested, please call Bunny Hauser, 212-877-4607.

The Association also seeks several alums to help with our mailing-list update. Meet at our new office at Hunter College (East Building, Room 1239) at hours convenient to you and Association administrator Rhea Plottel. To volunteer, call 212-772-4079. For more information, call Bunny Hauser, 212-877-4607.

Former Hunter Teachers Welcome Correspondence

Ruth Lilienthal and Ray Miller, both formerly of the High School science department, would welcome hearing from their former students. To write Mrs. Lilienthal, who is in a nursing home, please call Bea Fitzpatrick '43, 212-685-9464, for information. Miss Miller is recuperating at home from a recent illness and may be addressed directly at Long Pond Road, Mahopac, NY 10541. We're sure that quite a number of alums have a lot to reminisce about with these terrific teachers.

Suggestions for Reunion Site Sought

As those of you who have attended our recent popular reunions know, the Alumnae/i Association has outgrown facilities at the High School. Although we have a tentative location for Reunion '88, a more permanent location is being sought. Please call Bunny Hauser, 212-877-4607, with your recommendations. Or drop a line to our new office at Hunter College.

HCES Graduates Sought

If you or anyone you know graduated from Hunter Elementary School—especially if you were a member of the classes of 1950 to 1959—please call Prof. Rena Subotnik, 212-772-4722, or write her care of Hunter College Campus Schools, 71 East 94th Street, New York, NY 10128.

Prof. Subotnik is engaged in research on the gifted with particular interest in gender differences. She is eager to reach as many graduates of the elementary school as possible.

We look forward to seeing you soon.

Watch for your fall issue of Alumnotes.
