Many of you may have missed your friends and classmates at the last reunion. With your assistance, we are expanding our class lists and are currently looking for suitable facilities that will be comfortable enough to accommodate the large number of Alumnae we expect at our Spring reunion-Saturday, May 4th. Arrangements are also being made to enable you to locate easily your friends and classmates. So if you missed the last reunion - plan to come to this one and plan to celebrate your class reunion with us. If you came before, we welcome you again.

NOTES FROM NEAR AND FAR

This summer I went to Hong Kong, Philippines, Taiwan, and Spooner, Wisconsin looking for Hunter High Alumnae. I do want to assure you, however, that your alumnae money is safe and intact.

I have also enjoyed meeting our newest Alumnae, the graduates of 1973, at their Awards Assembly, members of the Class of 1963 at their 10th Reunion, and alumnae of the class of 1949 planning their 25th anniversary celebration next year. I've spoken and heard from many hundreds of you and look forward to hearing from many hundreds more. So fill out the questionnaire, join us, have fun with us!!!

WHERE ARE YOU?

You've become involved in many new things since you graduated from Hunter High - working, raising a family, completing your education - but there's always something special about the friends you made and the experience you had at Hunter. We, your Alumnae Association, need you to become one of us - we need all the talents you've developed over the years --

- 1- your connections with other Hunter grads, particularly your own class
- 2- your contacts on your college campus, in your professional organization, with your local newspapers to locate others
- 3- your reminiscences of the good old days
- 4- your brilliant ideas for this newsletter, the Alumnae Association and its activities
- 5- your critical opinions and suggestions - to know what you want to know
- 6- your assistance - for typing, letter writing, and all the other things you say you didn't go to college in order to end up doing
- 7- your office space for our growing file of past graduates
- 8- your humor when nothing goes right
- 9- your contribution (\$5 or ?) to keep our Alumnae Association going.
