Fall 1991

BRUNCH AND THEATER PARTY PLANNED

Anne Hoffman '60

Join the Alumnae/i Association for a "south of the border" brunch at our newest find, the Border Cafe West, at 100th Street and Broadway, on Sunday, February 9, at 12:30 p.m. Enjoy a frozen Margarita or other alcoholic or soft drink, an entree (eggs any style, omelette, fajitas and eggs, breakfast burrito, Arizona eggs Benedict, Caesar salad, burger platter, half Bar-B-Q chicken, fresh fruit plate), ice cream and beverage. As usual, we guarantee great company and conversation. The restaurant is easily accessible with the IRT 1, 2, 3 or 9 train to 96th Street, the 104 Broadway bus or the 96th Street crosstown bus.

The price is \$10 for members in good standing, \$12 for others. See coupon on page 7 for details, and mail your check today to the Alumnae/i Association office. For more information, telephone the Association office or Anne Hoffman, 212-489-1974.

The Musical Repertory Club of Hunter High is continuing its year-long tribute to Cole Porter's 100th birthday with a production of *Kiss Me, Kate* in the High School auditorium. (Last year they presented a sexy, sophisticated *Anything Goes*.) Now you can "Brush Up Your Shakespeare" at our winter theater party on Saturday evening, February 22, at 8 p.m. The play-within-a-play deals with the backstage feuding and other trials and tribulations of a traveling troupe performing *The Taming of the Shrew*; it contains witty, sophisticated lyrics and a melodic score, including the memorable "Wunderbar," "Too Darn Hot," "I Hate Men," "So In Love," and "Another Op'nin', Another Show."

Come out for an exciting, fun-filled evening and see the marvelous work the group does. The Alumnae/i Association will have a reserved seating area and will also host a pre-show reception with light refreshments, starting at 7 p.m. The cost of a ticket plus refreshments is \$10. To reserve seats for yourself, your family and friends, send in the coupon on page 7 with your check, now. Tickets will be mailed to you about one week before the performance.

ON THE WAY: REUNION '92

Teddy Christon '42

Milestoners and non-milestoners alike are welcome to Reunion 1992, which will take place on Sunday, May 31, at Hunter High School, 71 East 94th Street. Coffee and pastry will be served from 11 a.m. to noon. The gourmet buffet lunch, all kosher, will be catered by Famous Dairy Restaurant of West 72nd Street. Tours of the high school will be conducted by current students. There will be an exhibit of archives and memorabilia, and a presentation about the new women's literature program by its coordinating faculty members, Ira Marienhoff and Barbara Miller, chairs of the social studies and English departments, respectively. Many past and present faculty members, as well as principal Dr. Anthony Miserandino, are expected to join us.

If your class year ends in 2 or 7, this is your milestone year! The Association gives milestone classes a set of mailing labels of the current class list in our computerized data base, and also pays postage for your first mailing to classmates. The Association asks milestone classes for corrections and updates to the mailing list to keep our data base current, and requests that all mailings to milestone classes encourage payment of Association dues.

It has become an Alumnae/i tradition for milestone classes to make a gift to Hunter High as part of each reunion celebration; the Association will tell you what's on the High School's "wish list" and facilitate transfer of your class gift.

There will be a new discount admission for everyone making an advance reservation for Reunion. Watch for details in the Spring '92 issue of *ALUMNOTES*.

EDITORIAL

Is your Alumnae/i Association a "free lunch"?

What we mean is, have you been delighted to receive ALUMNOTES twice a year, attend a milestone reunion once in a while, and not give a thought either to what makes these activities possible or to the *other* purposes of the Alumnae/i Association? Purposes like advocating Hunter High's continued existence in times of political crisis. Like financial support and encouragement of student extracurricular activities and publications. Like championing building expansion plans, aiding the library and its collections, cooperating with parents' and teachers' organizations, giving awards to graduating seniors. And more.

All Hunter graduates on our mailing list receive ALUMNOTES free. *Only* those who become members in good standing *by paying their dues* are supporting the activities of their Alumnae/i Association. *Only they* receive discounts to some Association activities. *Only they* can vote in forthcoming elections. *Only they* receive our new annual journal, *THAT'S WHAT'S SPECIAL*. The second issue is now available, and will be sent as a *bonus* to everyone who sends in the coupon on page 7 with their dues to become a member in good standing.

Don't be a free-luncher. Support your Alumnae/i Association *now*.

Dear Friends,

As we anticipate a new academic and program year, memories of last year are still on my mind. Outstanding among them was Hunter High's faculty reception for retired and retiring teachers and staff, held in May. Alums tend to think chiefly of each other when reunions come around, but another group of Hunterites—faculty and staff—is also affected by beginnings, endings, and handings over. They feel, as we do, the difficulty of separation and the subsequent pleasure of reunion.

The faculty reception is now an annual tradition, much like our alumnae/i reunion. In 1990-91, more long-time, highly respected, and loved teachers retired than usual, and the departure of so many colleagues at one time was deeply felt. The reception program was marked as much by words of parting as by words of welcome.

Each retiring teacher was introduced by a colleague who is a particular friend, and both described how their first meetings developed into lifelong friendships. Their words echoed the bonds that we formed in our first confusing and often intimidating days as new students at Hunter High. Their respect and affection for each other were built during hours of planning lessons and activities, preparing and marking exams, of mutual commiseration and joy. Ours had been similarly formed as we studied for their tests, wrote their papers, prepared their homework assignments, agonized over their projects.

At Reunion '91 in June, one of our most exciting ever, these parallel threads of experience came together. Several of the retiring teachers, also Hunter graduates, were our guests, and as they recounted recollections from the other side of the classroom desk, new and old alums listened raptly. It was an afternoon of shared fun and mutual respect—by teachers for students who had worked so hard, by students for teachers who had given so much. It was wonderful.

We hope you will join us at Reunion '92 as we continue to savor our past experiences. Join us also for activities that give us an opportunity to enjoy each others' company and support the school as it is today. The Association and the entire Hunter community welcome your participation.

Fondly,
Margaret Betz Perrin

READING POETRY

Sheila Sisselman Schnee

Poetry readings are a long established tradition at Hunter College High School. Last fall the Alumnae/i Association launched a poetry reading project so successful that an additional reading was held at the High School library on Thursday evening, May 2, organized by 2nd vice president Ula Barrack. Among the readers were four High school students—Mari Shopsis '93, Serena Parker '91, Yvonne Lui '91, and Marc Borbely '91—as well as alumnae Elaine Mitchell '42, Mildred Speiser '49, Marian Goldhamer '51, and Sondra Schechter Armer '61. Association president Peggy Perrin read poems sent by Rena Trachtenberg Garner Kunis '39 and Doris Ismach Warren '49. Also present were alumnae poets Marjorie Greeley '36 and Sheila Sisselman Schnee '59.

On Saturday afternoon, May 11, alumnae led by 3rd vice president Sheila Schnee attended the 12th Annual Newark Poetry Program at the Newark Public Library. Winners of the library's annual contest read their poems; the theme, which changes each year, was "Coming Home." Afterward there was time for a quick tour of the nearby, fascinating Newark Museum.

The first poetry reading of the 1991-92 season is scheduled for Thursday evening, December 5, at 6 p.m. at the High School library. Another will be held Thursday evening, April 30, at Roosevelt House. All poets, published, unpublished, famous or closet variety, are welcome. Listeners are welcome as well! Each reader may prepare and present up to three poems for our listening pleasure. Let us know you want to come and read. For details, telephone the Alumnae/i Association office (212-772-4079), 2nd vice president Ula Barrack, (afternoons and evenings, 718-448-0053), or 3rd vice president Sheila Schnee (201-437-2415).

YOU'VE GOT OUR NUMBER!

For information about all Alumnae/i Association activities, telephone the office at 212-772-4079. On Thursday afternoons you will reach a live human being; at other times leave your message with our very responsive machine.

MEET-THE-MEMBERS: MEET THE ARTISTS!

The Association will hold its first ever exhibit and demonstration of arts and crafts on Sunday afternoon, March 22, from 1 to 4 p.m. in the Hunter High cafeteria. All alumnae/i designers, artists and craftspeople are invited to display their arts and demonstrate techniques, tools and materials. All alumnae/i and their friends, collectors and craftspeople, novices and "wannabees" are invited to come to admire, question, learn, and perhaps buy.

Artists and Craftspeople: Exhibit your graphics and crafts in all media and needlework of all kinds. Display finished items and work in progress. Talk about the work you love. Potential exhibitors may bring up to two different categories of work. The only limitation is what you can conveniently transport and set up. Tables and wall display space will be available. There is no table or set-up fee, and you may sell or take orders. The Alumnae/i Association requests only that you make a contribution equal to 10% of your receipts (honor system—we trust you).

Send in the coupon on page 7 to let us know you plan to be there; Vera Gordon will telephone you to discuss your particular requirements. For more information, telephone Vera at 718-282-6693 or leave a message on the Alumnae/i Association office answering machine.

We hope to report some of their findings in an alumnae/i publication in the near future.
- We saw it in *The New York Times*: Campus Schools' students have sent used textbooks to a black elementary school in South Africa.

NOMINATIONS WANTED

At the December 5 poetry reading and general meeting, a nominating committee will be formed to recommend a slate of officers to guide the Association's activities during the 1992-94 term. Officers of the Association are the president, executive and three other vice presidents, treasurer, assistant treasurer, corresponding secretary, recording secretary, and up to three members at large. Elected officers are assisted by committee coordinators and former presidents of the Association.

Members in good standing are encouraged to volunteer or to suggest the names of other metropolitan area alums who might be interested. This is an opportunity to become involved in Association activities and to help direct our expanding efforts on behalf of the High School today. We are particularly eager to involve graduates of the 1970s and 1980s. Let us know you're interested—telephone President Peg Perrin (718-426-1341) or leave a message on the Alumnae/i Association answering machine.

THANK YOUS FROM THE LIBRARY

High School librarian Harriet Whitman Aufses '42 wishes to acknowledge the donation of the *1933 New York Times Index and Microfilm* by Teresa Gloster '29 and her family. Also, funds to purchase the *1936 New York Times Index and Microfilm* were donated by the class of 1936, led by Shirley Kraus.

The library is also extremely grateful to the class of '61, represented on the Hunter faculty by Marge Goldsmith of the science department, for its generous milestone anniversary gift of funds to purchase a computer for word processing.
