## Welcome!

For you and me, Reunion means visiting and reminiscing with friends from our teen-age years and recapturing the momentum of our fulfilling academic and social Hunter High environment. Silently, each of us is glad to have been among those chosen to have the special experiences which have so influenced our becoming well-balanced adults.

Along with our feelings of pride and joy goes a wish--no matter how small--to preserve and enhance this heritage for the generations still to attend classes at our Alma Mater. We truly love Hunter, and hope future students will share our feelings for this extraordinary school.

I want to notify all parents of gifted children ages 4 to 14, whether at Hunter or not, that the Hunter Summer Enrichment Program, whose theme is Celebrating Cultural Diversity, is now accepting applicants. It will run through July, Mondays through Thursdays, from 9 a.m. to 2:30 p.m. at the Campus Schools. Teachers will all be members of the Hunter faculty. For more information and registration forms, telephone Director Carol Marsh, 212-860-1289.

Please take part in all that is said and done today and enjoy the camaraderie of this featured celebration. And--be sure to come back next year!

Fondly,

Margaret McKinney Nichols  
President
