A MESSAGE FROM THE PRESIDENT

Eve Kanner Rosenzweig '49

Welcome to the 1989 Reunion! This REUNION EXTRA issue of ALUMNOTES is the first of what your Alumnae/i Association officers intend to be a regular Reunion feature. Your class coordinators, Association Reunion chair Teddy Christon '42 and her committee have worked long and hard to make this day a success. We offer them our great thanks and appreciation.

One of their major tasks was finding some of you who have made career and life changes since you last attended a Reunion. The massive task of keeping track of Hunter graduates, performed by a few dedicated volunteer alumnae/i, has been simplified with computerization of our records. I am pleased to tell you that past record-keeping problems are now largely solved. To make certain that you won't be lost to the Association, please do your part by telling us when you change your name or address.

Reunion always brings the special feeling of wonder and warmth of looking back and

remembering the joy and the challenge of the years at Hunter High. Shouts of recognition, squeals of glee, embraces of old friends not seen in too many years--such scenes are being played over and over today as they have been at every Hunter Reunion by women and men ranging in age from their twenties to their eighties. We'll never be too old for this. It's wonderful to have you all here!

HELP WANTED

WE ARE LOOKING for the following people: an accountant to help formulate our budget and supervise our financial records; an archivist to organize school history materials belonging to and sent to the Association; a coordinator for every class; volunteers to staff the Alumnae/i Association office; and a copy of any works that you have had published. Don't hide--come up and tell us who you are. Write or phone the Hunter College High School Alumnae/i Association, Box 373, Hunter College, CUNY, 695 Park Avenue, New York, NY 10021; 212-772-4079.
