Volume 20, Number 1

Fall, 1993

SAVE SUNDAY, JUNE 5, 1994 FOR REUNION AND HOMECOMING

Milestoners — Members of classes ending in 4 or 9 —
Start making your special plans NOW!
See details below.

LADIES AND GENTLEMEN, START YOUR ENGINES!

Vera Julia Gordon

It's time to begin the drive to the 1994 Homecoming and Reunion, which will be held on Sunday, June 5, at Hunter College High School, 94th Street and Park Avenue, New York.

This is a special year for members of Milestone Classes, graduates of the years ending in "4" and "9." Graduates of every year, however, will find friends at the festivities and enjoy the celebrations planned for the day.

After your journey here, have danish pastry and coffee or tea, then join your class reunion or the special activities planned for non-Milestoners. Next, we will all gather in the auditorium for greetings and a Hunter High update from Dr. Anthony Miserandino, principal, remarks from other staff members and greetings and reminiscences from Milestone Class representatives, followed by a brief business meeting. The Class of '49 (headed by Mildred Speiser and Bunny Worman Hauser) is planning a special entertainment program for the day (you won't want to miss this one!). And after that, we will adjourn to the cafeteria for a delicious (and kosher) buffet and more chatting with faculty, reminiscences with classmates, and renewing of friendships. The cost this year will be \$15, if paid in advance, or \$20 if paid at the door.

So — start now! If you have been a milestone contact person or coordinator, please get in touch with me, Vera Gordon (718-282-6693, or 334 Argyle Road, Brooklyn, NY 11218-4342), as soon as possible. Or telephone classmates, and volunteer yourself or choose a class-

WINTER ACTIVITIES TO KEEP US WARM

Anne Hoffman

The Alumnae/i Association brunch will be on Sunday, January 23, at 12:30 at Gabie's (formerly Goodfellow's), 1009 Second Avenue, between 53rd and 54th Streets, where we held our 1993 brunch after a last-minute change of restaurants. This was truly a fortunate find, with a large brick-walled, picture-windowed private dining room, attentive service and delicious food. More than 40 enthusiastic alumnae/i, after braving single-digit temperatures, warmed up with a cocktail, entree (cheese omelette, eggs Benedict, beefburger platter, French toast, chef's salad), delicious cake and a beverage. We will not tamper with success: the menu will stay the same.

Margaret Nichols, Association president, gave special recognition to the oldest and youngest alumnae/i at the brunch, Natalie Oberstein Langer '26 and Benjamin continued on page 5

EDITORIAL

Ask not what your Alumnae/i Association can do for you; ask what you can do for your Alumnae/i Association.

With these words we start off a new Alumnae/i year, with varied planned events ranging from poetry readings to Brunch, from a panel on women's education to a Hunter rendition of a Broadway musical. And of course there are the Annual Reunion (see page 1) and two issues of *AlumNotes* mailed directly to you.

We on the Executive Committee are only too aware that time is quickly passing. Most of us graduated from the '40s through the '60s, with only a couple of '70s people. Where are the graduates of the '70s and '80s?

You are launched now, most of you. Your classes are well organized, as your sizable turnouts for your Milestone Reunions confirm to us every year. You come to Reunions; now is the time to come to your Alumnae/i Association. We don't demand or expect a huge quantity of your time or other resources; we would love to have a few hours of your quality time every month. We particularly want input from graduates of the '70s and '80s in order to plan activities of interest to you.

Won't you let us know you are eager to help in any way that will support your high school, and ensure that students today and tomorrow reap the same benefits you did from Hunter High? Do come to a meeting, or phone the office, and say, "I'm willing to help; what can I do?"

Greetings!

Once again, on May 23, we attended Reunion, one of the chief joys of being a Hunter alum. Meeting old friends, reminiscing, getting an update on current HCHS events by Dr. Miserandino, enjoying fine entertainment and food, and singing our Alma Mater affirmed for us that our valued Hunter High experience should be preserved for future generations of adolescents as curious and bright as we were.

Our shared belief that the Hunter High environment molded us academically and socially during our formative teen years, setting us on the road to positive and productive adult lives, motivates your Alumnae/i Association to protect the Hunter High experience and work toward its enhancement and preservation for future students.

We all have an obligation to future alums to build up this association so it can continue to serve the school. Your Alumnae/i Association, as most of you know, can also enrich your life *now*. Participate in our programs! Pay your dues! Offer your services and suggestions for increasing our effectiveness!

Our newest chapter, the Young Alums, will be formally launched in December and January, when "winter break" makes it possible for those in college to return to the city. At the HCHS Homecoming Day program last December 21, held especially for recent graduates, a questionnaire given to members of the '91 and '92 classes revealed their great interest in having this chapter formed to meet the particular concerns of those who graduated within the last ten years.

Please note and join us for the scheduled activities described in this issue of *ALUMNOTES*, and share your free time, abilities and other resources with fellow alums.

Thank you for your past participation, sharing, and loyal support.

Sincerely,

Margaret McKinney Nichols '41
President

Be assured, we will not only greet you with open arms, but we will also find some appropriate tasks with congenial people for you to do for your Alumnae/i Association.

WE READ IT IN WHAT'S WHAT

The Hunter High auditorium has gotten a much-needed facelift! A paint job, new carpeting and a new stage, necessitated by a terminal case of dry rot, will greet us at this year's theater party and reunion. So will a new sound system (desperately needed, as our numerous contretemps with — and without — the resident microphone have demonstrated). And some not-quite sittable seats are also being replaced. Incidentally, no asbestos contamination was found at Hunter, and classes began on time this past fall.

Some recent student activities will cause we oldtimers to wish these opportunities had been available in our day. Recommended by the social science department, five students attended Camp Rising Sun in Rhinebeck, New York, which brings students from around the world together with an equal number of U.S. students in a leadership program; another five students took part in the Jacob Javits program, learning social science research techniques and writing and conducting two polls with students from two other local schools. The science department offered a summer program at Bird S. Coler Hospital, where students worked with elderly patients. A National Endowment for the Humanities Young Scholars program gave grants to five of our students to conduct research projects; topics of their reports included trade and diplomacy in the 16th century Ottoman Empire, Roman and Germanic law, and Ezra Pound. One student lived in Kenya over the summer, another worked as a Congressional intern, and some prepared for a school season of athletic events.

The GO is undertaking an anti-apathy campaign to "rid the student body of their indifference and instill in them pride for their school." What's What continues. "The brainchild of Activities Vice President Sean Steinmarc, Spirit Week [will feature] students, and possibly the faculty, [competing] in a series of events [to acquire] points for their respective teams." The events will take place during lunch and after school and will include pieeating, water-chugging, high jumping, frisbee throwing and other contents, as well as "the ever-controversial 'compliment the GO officers' contest." The final events of Spirit Week, October 18-22, will take place in Darlington Park in Mahwah, New Jersey, and include basketball, softball, soccer and other games, including a scavenger hunt. We can't wait to find out how it all turned out!

Four Hunter students were among more than 5,000 amateur athletes who competed in the cost-free summer Empire State Games, a mini-Olympics held in the Rochester area in August. Sharon Olsen (ICY), Suzi Snyder ('94), and Caroline Bader (ICY), were on New York City's Women's Scholastic Volleyball team. Dan Ross-Leutwyler (ICY) was on the New York City Men's Scholastic team.

POETRY AND PROSE READING DRAWS ALUMS FROM FAR AND NEAR

Anne Hoffman

The Alumnae/i Association had another great poetry/ prose reading on Thursday evening, April 29, in the High School auditorium instead of in the library, which was unavailable that evening. Being true Hunterites, we adapted quickly and well to the last-minute switch, and our corner was soon a cozy spot.

Fourteen alumnae, including Dillie Grunauer '50 visiting from Chicago, and two friends of alumnae, read, listened to and commented on selections by: Sondra Armer '61 ("Lines on Turning Forty-Nine" and "Blood and Circuses"); Anna-Lee Culp (an answer to "How did baby get in there?"); Francine Eisen '42 (introductory sketch on her infancy); Jean Geiger '73 (short, humorous essay entitled "Don't Take Me Out to the Ballgame!"); Marian Goldhamer '51 (guided meditation); Angelica Petrides '49 (old and new haiku); Sheila Schnee '59 (conscious imitations of poems by Walt Whitman, R.L. Stevenson and Emily Dickinson); Mildred Speiser '49 ("Crossfire," a word play poem on current events); Ruth Walcott '40 (haiku written in calligraphy, "My Friend, the Character"). Listeners, who included Ula Barrack '73, Regina Grosser '36, Dillie, Bernice Hauser '49, and Anne Hoffman '60, were all impressed by the diversity, quality and openness of the works and by the group's camaraderie.

In an attempt to avoid snowstorms and Nor'easters, the next reading was scheduled for October 21, and announcements were mailed to those who had attended a previous poetry reading or expressed an interest in being part of the group. **x**

D.C. REGION ACTIVE IN SUMMER, TOO!

Elvira Hand Doman

The Regional Chapter of the Hunter College High School Alumnae/i of the Greater Washington, D.C., area held its summertime social at the home of JoAnn Levin '64 in Gaithersburg, Maryland. Everyone there had ample opportunity to communicate and interact with women from classes representing the '30s through the '70s. A tape recording of the 1968 Sing was enjoyed by all. Eve Ferdman Armstrong '79 set up a lovely table of delectable goodies.

Anyone living in the D.C. area who is interested in joining this chapter but has not yet been contacted should phone Elvira Doman, 202-357-7975, during business hours. **X

REMEMBERING AUDRE LORDE

Several alumnae/i, including three members of the class of '51, attended a memorial poetry reading for Audre Lorde '51 last February 10 at the Unterberg Poetry Center of the 92nd Street Y. Lucille Clifton, Blanche Wiesen Cook, Alexis De Veaux, Cornelium Eady, and Jewel Gomez, all of whom knew and shared work with Audre, read their own works and a few of Audre's.

Gloria Paret Lemme, Betty Potash, and Marjorie Pearle Weiser are representatives for a fund that we will present to Hunter High for an appropriate tribute. We have some ideas, and are eager to hear from Hunterites who knew Audre and her work; please mail contributions and ideas to the alumnae/i office in care of Class of '51; or phone Marjorie at 212-861-3795 evenings. **X

mate to be your contact person. If I hear from more than one person in a class, I will put you in touch with one another. I look forward to hearing from you soon. I will be your liaison person and arrange for you to obtain the latest printout of your class's names and addresses and a set of mailing labels. The Alumnae/i Association will reimburse each class for the costs of one mailing — printing and postage — upon submission of receipts. After the Reunion, each class is expected to provide the Association with an updated class list — newly located "lost" members, and new addresses and telephone numbers.

I will work with class coordinators, with suggestions, ideas, and techniques for getting their class energized for Reunion. Milestoners of 1949 and earlier may wish to consider separate June and January contact persons to represent their respective classes, as well as to work with each other.

For more ideas and brainstorming, each Milestone class is urged to sent representatives to the Winter Brunch (see story, page 1); one representative per Milestone class may attend as a guest of the Association.

The June 3-5 weekend is likely to be filled with Hunter College High School alumnae/i activities, because many classes are planning additional class parties and meetings, as well as turning out in force for the June 5 Homecoming and Reunion. We're on the road to Reunion 1994! **

VISION CAMPAIGN LAUNCHED

Due to massive CUNY budget reductions, there is never enough money to provide all that Hunter High needs to realize its full potential as a laboratory school for gifted and talented students. Members of the Parents Association have launched a major fund-raising campaign to go "beyond the basics" and address the kind of improvements that a public-funds budget will never be able to provide. The campaign theme for 1993-94 is "Building Bridges to the Information Age," and the goal is to provide an ample supply of money to ensure an ample supply of up-to-date computer equipment, hardware and its installation as well as software for various applications, and training for faculty and students. The campaign goal is an ambitious \$150,000, of which \$29,000 has already been raised in Phase I of the campaign, primarily from parents and including matching gifts; the average gift was about \$105.

The Alumnae/i Association is working with Lynda Confessore, chair of this project, and her team to determine where we can help and contribute. We will keep you informed — by phonathon, mail, and/or ALUMNOTES — as we wish all Hunter High students Happy Computing! 30

IN MEMORIAM

Clarice Mertzel '30, Hunter College '34, M.A. Columbia University, died on March 14, 1993, in New York, at the age of 79. Clarice was a long-time board member and former treasurer of the Hunter College High School Alumnae/i Association, president of the Eastern region of the American Technion Society, and a generous supporter and steering committee member of the Elaine Kaufman Cultural Center since 1983. She was an ardent music lover and accomplished pianist and vocalist, and was known and loved by all who knew her for her enthusiasm, warmth, wisdom, and nobility of character.

Lillian Thompson, January '53, who lived in Queens, died on May 10, 1993, of cancer. A faculty member at Hofstra University for three years, she taught physical education, health and special education at Brentwood High School for 27 years, until two weeks before her death. She also coached field hockey during the 1970s.

Jean Frank '41, of Manhattan, on May 10, 1993. Sadie Pollock '24, of Delray Beach, Florida.

Dattner '88 (the only male! C'mon, guys, come and keep Ben company this time.). The winter brunch is always an opportunity for Milestone classes to have a pre-Reunion get-together. Last February, members of the classes of 1943, January 1953 (6 people, 2 from San Diego, joined us prior to their class get-together later in the afternoon), June 1953, 1958, 1973, and 1988 attended; in addition, alumnae from 1949 (6) and 1951 (4) came out in force. If '94 is a milestone year for your class, be sure to come and have a reunion planning meeting (and see the pre-Reunion article on page 1).

The price is \$13.50. Fill out the coupon on page 7, and mail your check today to the Alumnae/i Association office.

"Hey There," alumnae/i, family and friends! If you've been "Racing with the Clock" and want a "Once A Year Day" in February, spend an evening in "Hernando's Hideaway," turn on the "Steam Heat," and join *The Pajama Game*. Our theater party on Saturday, February 12, at 8 p.m., once more will take us to a fabulous production by the Hunter High Musical Repertory. Don't miss this witty, spirited, utterly delightful 1954 smash hit about on-the-job romances between union workers and their managers. A throwback to the attitudes and behaviors of the '50s, how does it "play" in the "politically correct" '90s? Find out on Saturday evening, February 12.

As usual, the Alumnae/i Association will have a reserved seating area and will host a pre-show reception with light refreshments, starting at 6:45 p.m. The cost of a ticket and reception is \$11.00. To reserve seats for yourself, family and friends, send in the coupon on page 6 with your check. Tickets will be mailed to you about one week before the performance.

For more information about these events, phone the Association office or Anne Hoffman, 212-489-1974. %
